City Managers' Policy Advisor Committee Southeast Los Angeles County

Great Networking and Growth Opportunity!

Gateway Cities Council of Governments and MMASC, invites MMASC members for an informal networking opportunity allowing its participants to become more familiar with Members of City Management within the Southeast Los Angeles.

This event will begin with Lunch and Networking, followed by a presentation on Ethics by City of Long Beach City Manager, Pat West and a presentation on succession planning. We will also have a brief "Ask a City Manager" Panel.
