MEMBERSHIP BENEFITS

GET CONNECTED

MMASC members have a variety of opportunities to meet and interact with other local government professionals who share your enthusiasm and commitment to public service. Professional networking, whether over lunch, at a signature event or through the online listserve will help you succeed in your current job and may even help you land your next one.

UPGRADE SKILLS

Enhance your personal and professional skills and prepare for the next step in your career by participating in the numerous professional development programs MMASC offers throughout the course of the year.

STAY INFORMED

MMASC members receive exclusive access to MMASC publications and online content with articles on local government trends, legal issues and best practices that will help you stay informed on the latest topics and issues impacting local governments.

KEEP IT LOCAL

MMASC connects members with professionals in eight different regions from San Luis Obispo to San Diego. Each region hosts several professional development and local networking events throughout the year that allow you to connect with colleagues in your region and learn about the issues that are important to your area.

ABOUT MMASC

MMASC is one of the oldest and the largest associations of its kind in the nation and is recognized by both the International City / County Management Association (ICMA) and the League of California Cities. The association's more than 1,000 members represent local governments serving an estimated 22 million residents.

The membership is composed of city managers, HR directors, analysts, graduate students, interns, executive recruiters, private sector consultants, non-profit managers, county administrators, and special district professionals representing local governments within a nine-county area of Southern California. MMASC was formed in 1953 to address the professional needs of local government employees and their private sector counterparts.
